

HOSTING AN ESSENTIALS PARTY

Every family that H.O.M.E. assists is starting over and in need of fundamental items for their home.

We welcome groups to get together and host a CAUSE-RELATED EVENT. Our Essentials Party program allows H.O.M.E. to fill in the gaps for the families we service.

How does it work?

- 1) Pick an essentials party you want to host
- 2) Set a goal for essentials bundles you want to prepare
- 3) Invite your family, friends, coworkers, etc. to your cause related event
- 4) Share the list of items with invitees and ask attendees to bring multiples of their selected item
- 5) Host the event around food and fellowship
- 6) Get pictures of the event to share with H.O.M.E (use #EssentialsParty for social media post)
- 7) Thank your attendees

Please let us know about your party by emailing us your contact information and party date(s) to homessentials.contact@gmail.com. After the party please send us an attendee list so we can say THANK YOU!
